GHSBC is preparing for our first big event! We need your support.

We are hosting a Meet Your Subs Reception for Prime Contractors.

Stay on the look out for updates.

Our primary mission is to increase the numbers of contracts for minority businesses. One of the ways we accomplish that is through assisting small businesses in obtaining certification, so that they can bid for contracts. To assist in that process, if you have questions or need forms, please contact committee chair, Nena Alexander via email. We are happy to assist in any way possible. In particular we are addressing the needs identified in the City of Houston Disparity Report. We are looking for architectural, engineering and construction related companies.

Thank you again, for all of your interest and support. If you have questions or comments, please do not hesitate to contact us. I look forward to seeing everyone at the next general Blackdems meeting June 24th @ City Hall @ 3:00pm!
